

## Team Building 6 Let's Go!!

- ♥ How have you changed and grown since first saying “YES!” to going on this mission trip?
- ♥ How will you use this training during your time in Guatemala?
- ♥ How will you use what you have learned thus far in your life here in the United States?
- ♥ What would you change about the last months of training and preparation?
- ♥ What would you keep the same?
- ♥ NOW...say goodbye to the old you...
- ♥ AND...step out into this adventure trusting, in faith, and waiting for miracles!!
- ♥ PRAY...and review your group covenant.

### **We pray...**

May our extravagant Heavenly Father pour abundant blessings on each of us...so that we can in turn bless those we are about to meet...learn to love...and hopefully meet in eternity, even if never again in this life on earth. Lord, make us instruments of Your peace and love to all those we meet along the way...our drivers, the airline personnel, our flight attendants, other passengers, the customs people in Guatemala, the immigration people who will stamp our passports as a memory of this adventure, and all those serving with el Ministerio el Corazón del Servidor, in the United States and in Guatemala. Help us remember we are “blessed to be a blessing” and “we love because You first loved us.” For Jesus’ sake and in His holy name we pray. Amen y amen!
